Dog Days of Summer Are Here!

Last month's brought a successful conclusion to our annual NNL. To reiterate one more time, our 2027 NNL themes are *Pre-World War II vehicles (1939 and older)* and *Mustangs*. Mull these over, pick your poison and get busy for May 8th, 2027.

Ron Shirey did his usual excellent work on

what to expect with regard to upcoming releases.

The *"Pontiac Garage"* was on-site as always.

The raffle raised **\$119.00**, while the door added **\$160.00 (!)**. Paid the rent again—and then some! Thanks to the following donors: **Kevin**

Buter, Steve M. Buter, Matt G, Greg Johnson (northern VA benefactor), **Mark Mason, Rich Meany, Mark Parkhurst, Ken Shanks, Replicas & Miniatures Co. of MD (Norman), and Ron Shirey**. Thanks guys—we 'preciate it!—**Tim** 🍷

The June honoree for this “official unofficial” award is **Rich Meany**. Unfortunately, other than the fact that this build is based on a resin kit, little to no further info was made available as of press time—*Tim*

The Joe Bles Annapolitan Show

On June 4, 2026, members of the National Capital Model Soldier Society (NCMSS) and the Maryland Automotive Modelers Association (MAMA) put on a model show for the residents of the Annapolitan Assisted Living Facility in Annapolis, Maryland. Joe Bles, a resident at the Annapolitan and a member of both the NCMSS and MAMA, asked these model clubs to put on a model display for the residents of the Annapolitan. Dave and Darcy from the NCMSS and Steve Buter, Kelvin Brown and Norm Veber from MAMA brought along a nice selection of car, figure and military

models to show the residents. Everyone enjoyed looking at the models and talking with the club members. The models seemed to bring back memories for the residents that they talked about at length. They also made many comments about the detail each model had. Joe was very grateful for the efforts of the clubs to display their

work for the enjoyment of the Annapolitan residents (*more pics on page 9*)—Norman Veber 🚗

(*1/25th, unless noted*)

Last month, I displayed a long forgotten Pontiac—the Sunbird.

This is a 3D-printed transkit from *Wylde Parnell* at *Canuck 3D*. It is a result of the release of the AMT '77 Monza SS.

I also showed an older, unbuilt Sunbird from back in the day, based on this exact kit.

The neat thing about Wylde's Sunbird is that it does not stop with the Sunbird.

He followed it up with Sunbird "sister" cars—the *Buick Skyhawk* and, *Olds Firenza*. I believe that he even included a better grille for the Monza kit.

Here's hoping that you'll keep bringin' and showin' 'em! *'PoP'* (*Pontiacs on Parade!*) *Sickle*

signin' off! And don't forget—MAMA may not need all these Ponchos, but I'm diggin' 'em. Thanks!!—Tim 🍷

July Theme

This month's theme is **Foreign cars** (Ed. Note: *I got nothin'!*). Bring whatever your fertile imaginations can conceive of (and you may need to be even more creative!). Dig deep, raid your display cases, stashes or finish bench projects to display at the meeting.
